Sports Bracelet

Description:

Digro DB-04 smart bracelet, a compact sports helper. It's conveniently to see your activity and time with a 0.66" OLED screen, automatically lights up and shows step number when turned over. Through monitor and analysis of the real-time heart rate, you can understand the individual's exercise efficiency. It accurately monitors total effective sleeping time and motion every night (including light sleep and deep sleep). When Bluetooth is connected, it will silently vibrate to inform you of new messages, SMS from facebook, Twitter, WhatsApp, wechat, and incoming calls. OD1 makes its best to keep you healthy and never miss important things.

Note:

1. App supports system: Andriod 4.4 or above, IOS 8.4 or above, Bluetooth 4.0.
2. Please full charge the bracelet before first use.
3. APP:"WearFit 2.0"

Waterproof

You can wear it in any case, including in the rain, washing your hands, taking a bath, even swimming
